APPENDIX "B"	273
ALPHABETICAL SCHEDULE "A"	
ALPHABETICAL INDEX	275

**THIS AGREEMENT ratified by the parties on the 15th day of
February, 2012,**

IS A COLLECTIVE AGREEMENT MADE BETWEEN:

**TORONTO CIVIC EMPLOYEES' UNION,
LOCAL 416, CANADIAN UNION OF PUBLIC EMPLOYEES**

Herein called "The Union",

OF THE FIRST PART,

and

CITY OF TORONTO

Herein called "The City",

OF THE SECOND PART.

Article 1 – PURPOSE

- 1.01** The general purpose of this Agreement is to establish mutually satisfactory relations between the City and its employees; and to provide for the prompt and equitable disposition of grievances, and to establish and maintain safe, satisfactory working conditions, hours of work and wages for all employees who are subject to the provisions of the Agreement.

Article 2 – RECOGNITION

- 2.01** The City recognizes the Union as the sole bargaining agent for all employees of the City of Toronto who occupy the positions set forth in Schedule “A”, including positions as determined by the OLRB decision dated the 16th of November 1998.
- 2.02 (a)** In this Agreement the word “employee” means a person hired by the City for either Permanent or Temporary employment in a position which comes within the bargaining unit described in clause 2.01.
- 2.02 (b)** A temporary employee is one who is employed for any of the following reasons:
- (i)** Seasonal work:
 - to work on a seasonal basis to meet seasonal needs;

Prior to hiring new temporary employees to perform seasonal work, the provisions of clause 23.01(a)(i) (Superior Duties) or Article 29 (Layoff and Recall) shall apply. If work continues to be available after these provisions are fulfilled, the position(s) will be posted on a bargaining unit wide basis. The City shall have the ability to advertise externally in conjunction with the internal posting process with the understanding that qualified Local 416 internal applicant(s) shall have first claim to the work.

- (ii)** Non-seasonal work:
 - to replace an employee who is absent for any reason;
 - to work on a special project or undertaking;
 - to meet unexpected workload demands of a temporary nature.

Prior to hiring new temporary employees to perform non-seasonal work, the provisions of clause 23.01 (Superior Duties) shall apply. If, after applying the provisions of clause 23.01, no employee is available to perform the

work, and the available work is anticipated to last for more than one (1) month in duration, the recall provisions of Article 29 shall apply. If work continues to be available after these provisions are fulfilled, the position(s) will be posted on a bargaining unit wide basis. The City shall have the ability to advertise externally in conjunction with the internal posting process with the understanding that qualified Local 416 internal applicant(s) shall have first claim to the work.

LETTER OF AGREEMENT

The Letter of Agreement – Temporary Work Opportunities/Assignments shall apply for the filling of seasonal and identified non-seasonal work under the terms of that Letter. The applicable provisions of clause 2.02 (b)(i) and clause 2.02 (b)(ii) shall apply to temporary opportunities/assignments that are not filled in accordance with the Letter of Agreement – Temporary Work Opportunities/Assignments.

When this Letter of Agreement is in effect, and temporary opportunities/assignments continue to be available after the provisions of clause 2.02(b) (Article 23 and Article 29) are fulfilled, and the temporary opportunity/assignment is expected to last twenty (20) weeks or more, then the Letter of Agreement – Interim Alternate Processes for Article 19 (Part C) shall apply to the temporary posting.

2.02 (c) “Permanent employees” are employees who have satisfactorily completed the probationary period under Article 5 and occupy a job classification set out in Schedule “A”.

2.03 Whenever the City establishes a new non-union position, the Director of Employee and Labour Relations will provide the Union with thirty (30) calendar days written notice prior to the implementation of said position.

In the event that the Union is of the opinion that the position may come within the 416 Unit, the Union shall so notify the Director of Employee and Labour Relations within five (5) calendar days of the Union’s receipt of the notice from the City. If requested, the City shall meet with the Union forthwith for the purpose of discussing the matter.

The question as to the position’s inclusion in or exclusion from the 416 Unit shall be determined by mutual agreement or, in the absence of an agreement, the Union may file a grievance under Article 21. Such grievance shall be initiated at Step 3 of the grievance procedure.

- 2.04** The Union and the employees recognize and acknowledge that it is the exclusive function of the City to:
- (i) maintain order, discipline and efficiency;
 - (ii) hire, discharge, layoff, direct, classify, transfer, re-assign, schedule hours of work, promote, demote and suspend or otherwise discipline any employee provided that a claim that any such employee has been discharged or disciplined without reasonable cause, may be the subject of a grievance and dealt with as hereinafter provided; and
 - (iii) generally to manage the operation and undertakings of the City and without restricting the generality of the foregoing to select, install and require the operation of any equipment, plant and machinery which the City in its discretion deems necessary for the efficient and economical carrying out of the operations and undertakings of the City.
- 2.05** The City agrees that it will act in a manner consistent with the provisions of this Agreement and will not act in an arbitrary, discriminatory or unreasonable manner.
- 2.06** Unless otherwise specified in this Agreement, no employee shall be required or permitted to make written or verbal agreements with the employer which would conflict with the Collective Agreement.

Volunteers

- 2.07** Nothing in the foregoing shall be deemed to prohibit the City from using volunteers provided such volunteers do not perform bargaining unit work and shall not displace any bargaining unit employee.

LETTER OF AGREEMENT ANNUAL REVIEW OF TEMPORARY EMPLOYEES

- (1) The parties agree that there will be an annual review, as described below.
- (2) The City and the Union will undertake a review for the purposes of determining if any temporary employee has been continuously employed for longer than one (1) year as of May 14th of each year. To be clear, the review will be backward looking and will be for the purposes of identifying those temporary employees who have been continuously employed from

May 15th, through May 14th inclusive each year. Such a review will commence annually on May 14th.

- (3) The following criteria must be met for the position in question to be posted and will be used in the above-noted review:
- (i) No permanent employee has a claim to the position in question;
 - (ii) The applicable Division intends to continue to fill the position;
 - (iii) The position will not be eliminated in the near future;
 - (iv) The position is not “seasonal” in nature; and
 - (v) The position is not being utilized for a “special project” or “undertaking”.
- (4) If all of the above noted criteria, as outlined in point (3) are met, then the position in question will be posted as a permanent position pursuant to the Collective Agreement.
- (5) The Union reserves its right to file a grievance and arbitrate any allegation that the City has failed to follow this process.

Article 3 – UNION REPRESENTATION

- 3.01** The City acknowledges the right of the Union to appoint or otherwise select an Executive. The City will recognize and discuss with members of the said Executive any matters properly arising out of this Agreement.
- 3.02** The name and jurisdiction of each of the members of the above Executive, and the name of the Chairperson from time to time selected, shall be given to the City, through the Executive Director, Human Resources, in writing, and the City shall not be required to recognize any such member until it has been notified in writing by the Union of the name and jurisdiction of such member.
- 3.03** The City shall recognize all stewards elected/appointed by the Union and the Union will supply the City with a list of all of its Shop Stewards as soon as they are elected/appointed, and thereafter will notify the City in writing of any changes.
- 3.04** The Union will notify the City in writing of the work area(s) each Steward represents.

- 3.05** The Shop Steward referenced in Article 20 (Discipline, Suspension and Discharge) will be the Steward for the employee's specific work area as provided for in Article 20.
- 3.06** The City will recognize representatives of the Union authorized by the Union to attend meetings provided for under the Collective Agreement. The Union agrees to notify the City in writing in advance of the names of its representatives.
- 3.07** When meetings are held between Union representatives and the City, the City will make every effort to schedule such meetings in their entirety during their regular working hours, and should the meeting go beyond such hours, the overtime provision of this Agreement will apply up to a maximum of one (1) hour of overtime pay for each representative in attendance at such meeting.

If there is still a need, the overtime will then be offered on a City-wide basis to available employees who have signed their District overtime list, having regard to the section. Should there not be sufficient numbers of employees willing to accept the overtime, the junior employee within the District who has signed the requisite overtime list, may be assigned. If there are still insufficient numbers of employees available, the junior employee within the District may be assigned.

Emergency Overtime

8.01 (d) (iv) The City may assign overtime in an emergency in accordance with clause 8.01(d)(ii). The City may declare an emergency on legitimate and bona fide grounds. Equitable Distribution Process for Voluntary Overtime

- 8.01 (e) (i)** In order to provide equitable distribution of overtime hours within a calendar year, employees who normally perform the work within a work location will be required to sign overtime lists indicating their willingness to work overtime. Employees shall initially be placed on the lists in order of their seniority and shall be offered overtime on a rotating basis save and except where periods of reconciliation are required. Such periods are to address the equitable distribution of hours and shall take place on a quarterly basis.
- 8.01 (e) (ii)** Where overtime is to be worked, the employer shall call the employee who is next on the list to be called to perform the overtime work and continue calling until enough employees satisfy the work to be performed, save and except where periods of reconciliation are required.
- 8.01 (e) (iii)** Should an employee who is called decline the overtime, or work the overtime, the number of hours shall be recorded as if the employee had worked. Should the employee not be available at the time of the call, a message will be left and it will be the employee's responsibility to return the call within 5 minutes. If a message could not be left the City will call again within a 5-minute period. In cases where the employee remains unreachable or does not return the message, the overtime hours shall be recorded as if the employee had worked.

- 8.01 (e) (iv)** A sectional overtime list for each District shall be maintained and utilized for the purpose of offering overtime where there are not sufficient numbers of employees who accept the overtime in the work location. Employees who normally perform the work within the District will be required to sign a sectional District overtime list indicating their willingness to work overtime on a district-wide basis.

End of Shift Overtime

- 8.01 (e) (v)** Notwithstanding 8.01(e)(ii) and (iii) above, where employees are engaged in work during their normal working day and overtime is required to complete the job, the employees that were performing the work shall be the employees that will be given the first option to perform that overtime work. Should an employee decline the end of shift overtime, overtime will then be offered to those employees that have signed the overtime list in the work location.

If there are not sufficient numbers of employees who accept the overtime, the overtime will be offered to those employees who have signed the sectional District overtime list and are at work on that day. If there are still not sufficient numbers of employees who accept the overtime, the City will assign the overtime in reverse order of seniority to those employees who normally perform the work and have signed the overtime list in the work location. If there are still insufficient numbers of employees to work the overtime, the City will assign the overtime to those employees who normally perform the work within the work location. In the event the overtime is a legitimate and bona fide emergency, the employer may require the crew to stay on site until replacement employees are made available.

- 8.01 (e) (vi)** The necessary overtime records shall be made available for inspection by the Union upon request.

- 8.01 (e) (vii)** The parties will meet periodically to review the distribution of overtime hours and to discuss any concerns relative to the administration of this process, which may include overtime in emergency situations.

Overtime Assignment – Sanitation/Collections

- 8.01 (f)** Employees who have worked overtime will have the option of not working overtime on a second consecutive day. Should an employee exercise his right to refuse overtime on a second consecutive day, the employer may assign the overtime to the next senior employee(s) as required. Such refusal shall not be recorded as overtime offered and refused.

It is understood that such employees shall only be permitted to appear on one standby list at a time.
- 8.03 (f)** Employees who are performing standby duties shall be given preference for overtime that arises during the course of their standby. In the event an employee is on standby and is called back to work, such overtime hours worked shall not be included in the equitable distribution calculation as outlined in clause 8.01(e).
- 8.03 (g)** In the event there are not sufficient numbers of employees in the work location available to perform standby duties, standby will then be offered to those employees within the section on a District-wide basis who normally perform the work. If there are still insufficient numbers of employees available, the standby will then be offered on a City-wide basis having regard to the section and the work to be performed. Should there not be sufficient numbers of employees willing to accept the standby, the junior employee within the District may be assigned.

***NOTE 1:** For permanent and temporary employees, the range within which an employee falls in the above chart is determined by his/her completed years of service.

****NOTE 2:** In addition to Note 1 above, a temporary employee's IIP hours will be pro-rated based on his/her total hours paid in the previous calendar year in accordance with clause 14B.07(d).

Pro-ration for Temporary Employees

14B.07 (d) In accordance with clause 14B.06(b), the amount of IIP hours for temporary employees shall be as provided in the above chart and as outlined in Steps 1 and 2 below:

Step 1: To determine how many IIP hours a temporary employee is eligible for, complete the following calculation:

$$\frac{\text{Total Hours Paid in Previous Calendar Year}}{1040 \text{ hrs}} \times 1040 = \# \text{ of IIP Hours (to a maximum of 2080 hrs)}$$

(For a simple calculation, take your Total Hours Paid in Previous Calendar Year X 0.5 = Your IIP Hours)

Step 2: To determine the percentage level at which a temporary employee's IIP hours will be paid at either 100% or 75%:

- First go to the Completed Years of Service in column A above and find your range;
- Next, go to column C above to find the percentage of IIP hours paid at 100%;
- Then multiply that percentage by the number of IIP hours calculated in accordance with Step 1 above and as per clause 14B.06(b);
- Your remaining IIP hours, if any, will be paid at 75%.

No Payout or Carry Over

14B.08 There is no payout of unused IIP hours. There is no carry over of unused IIP hours from year to year, except when an illness or injury starts in one year and continues into the next calendar year or as provided in clause 14B.09(c) below.

- 14B.09 (b)** An eligible employee not covered by clause 14B.09(a), who is not actually at work on his/her first regularly scheduled work day on or after January 1st and immediately prior has been absent due to illness or injury or unauthorized absence and either in receipt of IIP hours or has exhausted his/her IIP hours, will not receive his/her refreshed IIP hours until he/she has actually returned to work for a period of at least eighty (80) continuous regular hours.
- 14B.09 (c)** An employee covered by clause 14B.09(b) and 14B.11(b) shall continue to retain any remaining IIP hours from the previous year and any capped sick pay credits, if any, until they have returned to work for eighty (80) continuous regular hours.

- 14B.10 (a)** When an employee is given an approved leave of absence for any reason and returns to work at the end of such leave of absence within the same calendar year, he/she shall retain his/her IIP hours, if any, existing at the time of the commencement of such leave.
- 14B.10 (b)** When an employee is on approved leave of absence, for any reason, and returns to work at the end of such leave of absence in a later calendar year, such that he/she did not work during the entirety of at least an entire calendar year, he/she shall retain his/her IIP hours existing at the date of the commencement of the leave, until such time as the employee has worked eighty (80) continuous regular hours, at which time his/her IIP hours shall be refreshed in accordance with clauses 14B.06 and 14B.09 above, as applicable.

- 14B.11 (a)** When an employee is laid off and is recalled to work within the same calendar year, he/she shall retain his/her IIP hours, if any, existing at time of such layoff.

Use of IIP Hours

- 14B.13 (a)** The number of paid IIP hours received by an employee shall be deducted from his/her available IIP hours but no deduction shall be made on account of any day on which an employee would normally be entitled to be off work. Absence on account of illness for less than half a day shall not be deducted. Absence on account of illness for a half a day or more, and less than a full day, shall be deducted as one-half (1/2) day.
- 14B.13 (b)** An employee who is injured during working hours and who is required to leave for treatment or is sent home for such injury shall receive payment for the remainder of the shift at his/her regular rate of pay without deduction from his/her IIP hours, unless a physician states that the employee is fit for further work on that shift.

LETTER OF AGREEMENT

INTERIM ALTERNATE PROCESSES FOR ARTICLE 19

The parties agree that the following terms will apply commencing as at January 1, 2012, until December 30 of 2015. If the parties agree, the terms of this Letter of Agreement may be extended by mutual agreement in writing.

A. POSTING AND FILLING OF PERMANENT VACANCIES

In an effort to provide opportunities for employees consistent with the fundamental principles outlined in Article 19 in a manner that expedites the process, the parties agree to the following:

- (i) Permanent vacancies will be posted in accordance with clause 19.01(a), unless otherwise amended by this Letter of Agreement.
- (ii) The information on the “Job Call Notice”, as outlined in clause 19.02 (a), will continue to be provided on the Job Call, however, the Job Call will also contain information to advise applicants of the following process which is to be used and has been agreed to by both parties:

“This posting will be used to fill the vacancy (ies) identified in this job posting. Should an existing permanent employee in the same classification and within the same Division be successful in securing the vacancy, any resulting vacancy will also be filled using the Candidate List prepared for this posting.

Employees who are interested in applying for (insert name of the job) in (insert Division) must apply to be considered in the event a vacancy becomes available for any resulting vacancy as a result of a permanent employee moving through this job posting.”
- (iii) For senior qualified positions, Candidate Lists will be prepared based on the process outlined under the Senior Qualified Process, clause 19.05. For the Relative Ability positions, employees who apply for the Job Call and hold the same classification as the job posted, and employees who are deemed relatively equal in accordance with clause 19.06(a) will be placed on a list in order of seniority and offered positions in accordance with clause 19.06(b).

B. QUALIFIED EMPLOYEE INVENTORY LIST

In order to streamline the job posting process and to facilitate the expeditious filling of permanent and temporary vacancies, the City agrees to implement the following process:

Effective January 1, 2010, the City will commence and then maintain a database of employees that have been deemed qualified for “senior qualified” classifications on the following basis:

- (i) When an employee is deemed qualified for a permanent or temporary opportunity as a result of an assessment resulting from a job posting, the City will maintain a record that the employee has been deemed qualified. In the event a vacancy becomes available, he/she will be deemed qualified without an assessment, subject to the requirements of such opportunity.

- (ii) The City may schedule and advertise assessments during the year other than when a vacancy is to be filled. Such assessment opportunities will be offered in order of greatest seniority from those employees who wish to be assessed.
- (iii) In relation to layoff and recall, (including work selection), temporary employees who have been deemed qualified under (i) above will not be required to participate in a further assessment, subject to the requirements of such opportunity.
- (iv) The City will consult with the Union on the period of time for which an assessment is valid.

C. TEMPORARY JOB POSTINGS

Subject to the terms of Articles 2.02(b), 23 and 29 and the Article 29 - Letter of Agreement – Temporary Work Opportunities/Assignments, temporary opportunities/assignments that are known to be more than twenty (20) weeks duration shall be posted and the following provisions of Article 19 will apply: clauses 19.01(a)(i), (ii), (iii); 19.01(b); 19.02(a)(i to xi); 19.02(b); 19.02(d); 19.03(a); 19.03(d); 19.04; 19.05(a)(i), (ii); 19.07(c); and 19.10.

The closing date provided for in clause 19.02(a)(viii) shall not be less than one (1) week from the date of issue of the Job Posting.

Article 20 – DISCIPLINE, SUSPENSION AND DISCHARGE

20.01 Whenever an employee is requested to report for a disciplinary discussion with supervisory personnel, prior to any disciplinary action being taken or a grievance being lodged, such employee shall have a Union Representative at such a meeting. For the purposes of this provision, “Union Representative” shall mean the Steward for the particular work area or, if not available, any steward within the section or, if not available the Unit Chair. If no Union Representative is available, the employee shall not be disciplined but may be removed from the workplace with pay until a disciplinary discussion can be held. Such removal from the workplace shall not be considered to be disciplinary action.

20.02 Where a discussion occurs between an employee and the supervisor of such employee pertaining to any matter which may result in disciplinary action being taken and such matter is brought to the attention of a

member of the excluded group holding a supervisory position, the disciplinary action resulting from such discussion shall be recorded in writing and a copy thereof shall be furnished to the employee or forwarded by registered mail to the employee's address last known to his Division, within two (2) working days of such discussion.

- 20.03** Where a meeting is arranged between an employee and a supervisor for the specific purpose of providing the employee with written notice of discharge, suspension or issuance of a written reprimand to the employee, the employee shall have the shop steward for the particular work location or another Union Representative at such meeting.
- 20.04** The City shall forward a copy of any letter of discharge to both the Recording Secretary of the Union and the Chief of Stewards.
- 20.05** Where a discussion as defined in clause 20.01 or 20.03 is to take place, it is agreed that the steward, or other Union Representative, shall be provided with up to twenty (20) minutes, if requested, to consult with the employee prior to commencing the meeting.
- 20.06** Where an employee has not received a disciplinary notation for a period of two (2) calendar years, any disciplinary notation(s) recorded on the employee's service record shall be null and void, and shall be removed from the employee's file.
- 20.07** It is understood that any period of disciplinary suspension without pay shall be deemed an approved leave of absence without pay for pension purposes.

Article 21 – GRIEVANCE PROCEDURE

- 21.01** The parties to this Agreement are agreed that it is of the utmost importance to address and resolve grievances as quickly as possible.
- 21.02** Time limits for all steps of the entire grievance and arbitration procedure may be extended in writing by mutual consent.
- 21.03** For the purposes of the grievance and arbitration procedures, "working days" shall be Monday to Friday inclusive, but exclusive of designated holidays.
- 21.04** A grievance shall be defined as where a difference arises between the parties relating to the interpretation, application or administration of this

Agreement, including any question as to whether a matter is arbitrable or where an allegation is made that this Agreement has been violated.

21.05 The Union acknowledges and agrees that Stewards and Officers of the Union have regular duties to perform as employees of the City and that such employees will not leave their regular duties to assist employees in preparing their grievance without obtaining the permission of their Division Head or someone designated by him and will similarly report upon returning to their regular duties. Such permission shall not be unreasonably denied. Time spent during an employee's regular working hours pursuant to this Article (including clause 22.07-Mediation) shall be without loss of pay.

21.06 Grievances properly arising under this Agreement shall be adjusted and settled as follows:

(i) Step One

It is understood that before the Grievance is reduced to writing and filed, the Grievor's immediate Supervisor will have an opportunity to discuss and resolve the grievance. Within twenty (20) working days following the circumstances giving rise to a grievance, the Union, through the Union Steward, shall request a meeting with the Grievor's immediate Supervisor, who shall arrange a meeting within five (5) working days of receiving the request. The employee shall be accompanied by a Union Steward or an available Union Representative. Within three (3) working days of the Step One meeting, the Supervisor will advise the Union Steward and the Grievor in writing of the date on which the Step One meeting took place and shall note whether the grievance was denied, granted or resolved. Any resolutions reached at this step shall be without prejudice or precedent.

(ii) Step Two

If the grievance is not resolved at Step One to the satisfaction of the Union, the grievance and redress sought shall be reduced to writing and signed by the employee. The Union shall file the grievance with the Division Head within ten (10) working days following receipt of the Supervisor's written response from the Step One meeting. The Division Head shall confer with the Representatives of the Union within ten (10)

working days after receipt of the grievance at Step Two, and shall advise the Union in writing of his decision in respect to the grievance within ten (10) working days of the time of the conference. The grievor will attend the Step Two meeting upon the request of the Union, provided that such request must be made at least five (5) working days prior to the date of the Step Two meeting. The Vice-Chair or steward shall also attend the meeting in addition to the Chair.

(iii) Step Three

Should the decision of the Division Head not be satisfactory to the Union, the Union may within ten (10) working days after the receipt of the written decision of the Division Head, forward copies of the grievance and the written decision as provided for in Step Two to the Director of Employee and Labour Relations. Upon receipt of such copies, the Director of Employee and Labour Relations shall confer with the Representatives of the Union within fifteen (15) working days after receipt of the grievance at Step Three. The Director of Employee and Labour Relations shall advise the Union in writing within ten (10) working days after the said conference of his decision in respect to the grievance. The grievor will attend the Step Three meeting upon the request of the Union, without loss of pay or benefits, provided that such request must be made at least five (5) working days prior to the date of the Step Three meeting. The Vice-Chair or steward shall also attend the meeting in addition to the Chair.

(iv) Step Four

If the decision of the Director of Employee and Labour Relations is not acceptable to the Union, the Union may, within twenty (20) working days after receipt of the written decision of the Director of Employee and Labour Relations, require that the grievance be submitted to arbitration by notifying the City in writing.

21.07 The decision of the Division Head or the Director of Employee and Labour Relations, as the case may be, shall be final and binding upon the City and the Union and upon any employee affected by it unless a subsequent step is taken within the times hereinbefore limited.

Policy Grievances

21.08 Where a dispute involving a question of general application or interpretation of the Collective Agreement occurs, a policy grievance may be filed by the Union commencing at Step Three.

Group Grievances

21.09 Where a group grievance involves a group of employees in the same Division, it may be initiated at Step One or filed at Step Two at the Union's option. Group grievances involving a group of employees in two or more Divisions shall be filed at Step Three.

Suspension or Discharge Grievances

21.10 Whenever an employee is suspended or dismissed for cause, the grievance procedure as set forth in this Article shall apply except that the grievance shall be initiated at Step Two within twenty (20) working days after the said employee has been suspended or ceases to be employed by the City, as the case may be.

Job Call Grievances

21.11 Any grievance of an employee with respect to not being selected for a position under the Job Call procedure shall be initiated at Step Two within twenty (20) working days of the employee receiving notification in writing that he was not selected for the position for which he applied. If such position is within a Division other than the employee's Division, the grievance shall be directed by the Union to the Head of the Division in which the vacancy occurred.

Sexual Harassment Grievances

21.12 Where an allegation is made by an employee that clause 6.04 (sexual harassment) has been violated, a grievance shall be initiated at Step Two within twenty (20) working days after such violation is alleged to have occurred.

Management Grievances

21.13 In the event the City has a grievance, the Director of Employee and Labour Relations shall file the grievance in writing within twenty (20) working days of the circumstances giving rise to a grievance with the authorized

officers of the Union who shall confer with the Director of Employee and Labour Relations within twenty (20) working days of the receipt of such grievance. In the event the authorized officers of the Union do not provide redress satisfactory to the City, the Director of Employee and Labour Relations may process the grievance to arbitration in accordance with the arbitration provisions as set out in this Agreement, with the necessary changes being made.

Article 22 – ARBITRATION

- 22.01** The parties agree, subject to the right of either party to require an arbitration board in accordance with clause 22.02, that grievances not resolved through the grievance procedure will be submitted to a single arbitrator. If the parties agree, they shall endeavour to reach agreement as to a suitable arbitrator. In the event that the parties fail to agree upon an arbitrator, the Union shall request the Minister of Labour for Ontario, in writing, to appoint an arbitrator. Time spent by the grievor, Vice-Chair or Steward during their regular working hours to attend arbitration shall be without loss of pay, benefits, seniority or service. This clause shall also apply to the Unit Chair.
- 22.02** Where either party requests, the Union and the City shall convene an Arbitration Board. Within ten (10) working days of such request, the Union and the City will notify each other of their nominee to the Arbitration Board. The two (2) nominees so selected shall appoint a third person who shall be the Chairperson. If the two (2) nominees fail to agree upon a Chairperson within one (1) calendar month, the Union may request the Minister of Labour for Ontario, in writing, to appoint a Chairperson. A copy of such request shall be forwarded concurrently to the other nominee to the Board.
- 22.03** The Arbitration Board, or single arbitrator, as the case may be, shall hear and determine the grievance and shall issue a decision, and the decision shall be binding upon the Union, the City and upon any employee affected by it. The decision of a majority shall be the decision of the Arbitration Board, but if there is no majority the decision of the Chairperson shall govern.
- 22.04** Each of the parties hereto will bear the expenses of the nominee appointed to represent it and the parties will jointly in equal shares bear the expenses of the Chairperson of the Arbitration Board, or single arbitrator, as the case may be, and the cost of the room or rooms in which the arbitration is held.

- 22.05** In the grievance and arbitration procedures, the Union shall be confined to the grievance and redress sought as set forth in the written grievance filed as provided in Article 21 (Grievance Procedure).
- 22.06** The Arbitration Board shall not have any power to add to, subtract from, alter, modify or amend in any way, any part of this Agreement nor to consider any matter not specifically contained in this Agreement nor otherwise make any decision inconsistent with this Agreement.

Witnesses at Arbitration

- 22.07** The Union reserves the right to use subpoenas to require its members to attend as witnesses at arbitration. However, the Union will not require the City to pay the wages for these witnesses under clause 24.02 of the Collective Agreement.

Mediation

- 22.08** Once a grievance has been processed to arbitration, both parties may, within forty (40) working days, agree to use the services of a mutually agreeable Mediator to assist the parties in resolving the grievance. The grievor(s) will attend the mediation meeting at the request of the Union, in addition to the Unit Chair and the Vice-Chair or Steward. Time spent in attendance at mediation during an employee's regular working hours shall be without loss of pay. Any mutually agreeable resolution reached by the parties through such mediation shall be binding upon the parties but shall be without precedent or prejudice.
- 22.09** In an attempt to clear up the backlog of grievances and reduce the number of grievances going to arbitration, the Union and the City agree to use the services of mediators. Mediation shall be scheduled two times in a calendar month until the backlog of grievances has been addressed either through settlement or referral to arbitration.

Article 23 – SUPERIOR DUTIES

- 23.01** (a) Where a temporary vacancy occurs as a result of:
- (i) an absence of an employee who is absent for any reason and it is determined that the vacancy is to be filled (including an absence of one (1) month or less of a temporary employee hired to work on a seasonal basis to meet seasonal needs) or;

(ii) to meet unexpected workload demands of a temporary nature, or
(iii) to work on a special project or undertaking,
such vacancy shall be offered immediately to the senior qualified person in a lower rated position within the work location. If no qualified employee is available in the work location, then the offer shall be made to the senior qualified person in the section concerned.

23.01 (b) It is understood that the acceptance of a superior duty assignment shall be at the discretion of the employee.

23.02 Whenever an employee is assigned to perform the work of a higher-rated classification, he shall be paid the rate of pay for that higher-rated classification. Where incremental steps exist, the employee shall be paid an increase of at least sixty-five cents (\$0.65) per hour or the next higher incremental step, whichever is greater.

23.03 (a) The superior duties provisions shall apply to periods during which the employee is absent on paid leave, on sick pay or paid holidays or on annual vacation, provided such employee has been continuously paid at such alternate rate for at least two (2) months and such qualifying period has not been interrupted by an aggregate of absences on paid leave, sick pay, paid holidays or vacation in excess of fifteen (15) working days prior to such absence on paid leave.

These provisions shall apply only when the two (2) continuous months service requirement has been fulfilled and such employee is still being paid such alternate rate at the commencement of such absence and such alternate rate will be paid only to the extent that it would have been paid had the employee remained at work.

Multiple Superior Duty/Alternate Rates

23.03 (b) When an employee has been assigned to multiple superior duty/alternate rate positions and where the rates of pay differ in those superior duty/alternate rate positions and provided the employee meets the two (2) continuous month qualifying period specified in clause 23.03(a), the rate paid to the employee for statutory holiday, paid leave, sick leave or annual vacation shall be the superior duty/alternate rate paid on the day immediately preceding any such absence.

- 23.03** (c) Notwithstanding clause 23.03(b), if an employee has occupied a superior duty/alternate rate position and provided the employee meets the two (2) continuous month qualifying period specified in clause 23.03(a), and then on the day immediately preceding a statutory holiday, paid leave, sick leave or annual vacation, the employee is reduced to a lower-rated position or their base rate, then the higher superior duty/alternate rate of the previous day will be the rate paid for the statutory holiday, paid leave, sick leave or annual vacation.
- 23.04** The employee shall be returned to his former position upon completion of the superior duty assignment.
- 23.05** This Article shall not be used to avoid the posting provisions under Article 19. At the point in time that it is reasonably anticipated that the absent permanent employee will not return, the City must decide whether the position is to continue and if so post it under Article 19. The employee performing superior duties under this article shall remain in the position until a new incumbent is confirmed.
- 23.06** Whenever an employee is temporarily assigned to perform the work of a lower-rated classification and accepts, he shall be paid the rate of pay for that lower-rated classification. For the first two (2) continuous months worked in the lower-rated classification, the rate paid to the employee for statutory holidays, paid leaves, sick leave or annual vacation shall be at his base rate and thereafter such time will be paid at the rate applicable to the lower-rated classification.

LETTER OF AGREEMENT

ANNUAL REVIEW OF ALTERNATE RATE/SUPERIOR DUTY ASSIGNMENTS

- (1) The parties agree that there will be an annual review of alternate rate/superior duty assignments, as described below. Such review will not include the Paramedic or Field Training Officer positions. This process is without prejudice to both parties' positions regarding the application of clause 2.02 (b), Article 19 and the Letter of Agreement – Interim Alternate Processes for Article 19 and clause 23.05.
- (2) The City and the Union will review on an annual basis (the review date will be May 14 of each year), all alternate rate/superior duty assignments of

employees in the Local 416 bargaining unit to positions within the Local 416 bargaining unit where an employee has been on an alternate rate/superior duty continuously for a period of more than thirteen (13) months. To be clear, the review will be backward looking and will be for the purposes of identifying those employees who have been on an alternate rate/superior duty assignment continuously prior to or commencing on April 15 of the previous year and continue to be on the alternate rate/superior duty assignment as of May 14th.

(3) The position, in which an employee has been on a continuous alternate rate/superior duty assignment in excess of thirteen (13) months pursuant to paragraph 2, above, will be posted in accordance with Article 19 of the Collective Agreement provided all of the criteria set out below are met:

- (i)** No permanent employee has a claim to the position in question (e.g., the position is being backfilled for an employee on sick leave, WSIB, etc.);
- (ii)** The applicable Division intends to continue to fill the position;
- (iii)** The position will not be eliminated in the near future;
- (iv)** The position is not “seasonal” in nature; and

Such leave may commence no earlier than the date of the death, and must be completed within the seven (7) consecutive calendar day period following the death, provided that if the funeral is not held within the seven (7) day period, the employee may reserve one (1) of the above five (5) bereavement days for the purpose of attending the funeral or interment, where either ceremony falls on a regularly scheduled working day.

Such leave may commence no earlier than the date of the death, and must be completed within the seven (7) consecutive calendar day period following the death, provided that if the funeral is not held within the seven (7) day period, the employee may reserve one (1) of the above three (3) bereavement days for the purpose of attending the funeral or interment, where either ceremony falls on a regularly scheduled working day.
- 24.01 (c)** An employee may be granted leave of absence with pay at the discretion of the Division Head where such leave is requested solely due to the death of persons other than those specified in clauses 24.01(a) and (b) and such leave shall not be unreasonably denied.
- 24.01 (d)** Notwithstanding clause 24.01(a), (b) and (c), where an employee suffers a bereavement during a period of scheduled vacation, he/she may request that bereavement leave be substituted for vacation and such bereavement leave shall be governed by the provisions of this clause.

Leave of Absence for Jury Duty

- 24.02 (a)** Each employee who is called to serve as a juror or is subpoenaed as a witness in a legal proceeding,

 - (ii)** shall be paid his full salary or wage for the period of such jury or witness service; provided that he shall pay to the Deputy City Manager & Chief Financial Officer of the City the full amount of compensation received for such service and obtain an official receipt therefor, it being understood that the full amount does not include monies received on days other than his regularly scheduled work

day with the City or any monies received for meal allowance or travelling allowances; and

(iii) shall, upon being released from jury or witness service in the forenoon of any day, immediately telephone his Division for instructions respecting his return to work and shall, upon receiving such instructions, comply with the same.

24.02 (b) When a shift worker has completed the last day of his Jury or Witness service, he shall report for his next scheduled shift provided that he has a rest period of not less than twelve (12) hours from the completion of such service until the start of his next shift.

Pregnancy/Parental Leave

24.03 (a) Pregnancy and/or parental leave, without pay, shall be in accordance with Part XI of the Employment Standards Act, R.S.O., 1990, as amended.

24.03 (b) Pregnancy and/or parental leave for an employee who does not qualify under Part XI of the said Act, shall be granted upon request and administered in accordance with the Act.

29.09 (c) Any temporary employee who is bumped in accordance with clause 29.09(b)(ii) above, or in accordance with this clause, shall have the right to either accept the layoff or bump the least senior temporary employee in any classification, provided the employee bumping is capable of performing the work of the classification. This process will continue until the last affected employee is laid off.

29.09 (d) If and when temporary work becomes available, those temporary employees who are on layoff shall, provided that not more than twenty-four (24) months have elapsed from the date they were laid off from work, be recalled to work in seniority order on a bargaining unit wide basis, provided that they are capable of performing the work available.

LETTER OF AGREEMENT

RECALL CLASSIFICATION

No later than May 15, 2012, the parties agree to meet to confirm the process by which an employee's "recall classification" will be determined as defined in clause 29.09(e) of the Collective Agreement. The parties agree that all temporary employees will be assigned a recall classification subject to them being capable of performing the work of the classification. Unless the parties agree otherwise, an employee hired prior to July 31, 2009, will have the right to identify a "recall classification", subject to the employee being capable of performing the work of the classification.

LETTER OF AGREEMENT

RE: STUDENT SUMMER EMPLOYMENT

This Letter of Agreement shall replace all provisions of the Collective Agreement related to summer employment for Students, for the term of the Collective Agreement effective July 31, 2009. The parties are interested in providing summer employment for students who are registered full-time at a recognized and accredited educational institution ("Students").

The parties recognize that students have special circumstances owing to their attendance at school that will be considered, while balancing the needs of the diverse operations within the City.

The parties agree that in addition to the Temporary Work Selection process ("Work Selection"), a process specific to the provision of student summer employment will be implemented. The provision of such summer employment shall be limited to the Labourer 3/Student classification as outlined below.

The parties agree as follows:

1. Students will be contacted each year at the same time as all other temporary employees are contacted with regard to their participation in Work Selection. Students will be advised that they have the option to participate in Work Selection, or if the student provides the documentation identified in paragraph 3 below, he/she will be placed on the list of students available for recall ("Student Recall List") and will be eligible to participate in that process.

Work Selection

2. If a Student elects Work Selection, he/she shall be subject to all the terms and conditions of the Work Selection process for that season. For clarification, Students that provide the documentation identified in paragraph 3 below will not, prior to their selection in the following year's Work Selection, be offered recall to temporary work opportunities after the completion of their spring/summer work opportunity unless he/she confirms he/she is no longer registered full-time at a recognized and accredited educational institution.

Student Recall Process

3. In circumstances where a Student is unable or unwilling to participate in Work Selection, he/she will be placed on the Student Recall List. The list will be compiled by the City each year for the upcoming summer. In order to be placed on the Student Recall List, a Student shall provide written proof to the City, by March 15th of each year, of his/her current full time registration at a recognized and accredited educational institution. In addition, the Student shall also provide written notification of the first date of his/her availability for recall and the approximate last date of his/her availability for summer employment, as well as contact information where he/she can be reached. It is the Student's responsibility to immediately provide any updates to his/her: contact information, first available start date and last available end date.
4. The City will determine if there is summer employment available in the Labourer 3/Student classification. The number of student recall opportunities will not be more than fifty (50) in any given year. Such summer work may commence no earlier than May 1 and end no later than August 31, and will reflect the duties of the Labourer 3/Student Job Profile. In the event there is such employment identified by the City, it will be offered in seniority order to Students who have provided the documentation as required in paragraph 3 above, and are on the Student Recall List, provided such employment is consistent with the Student's stated available date(s). Should a Student be unavailable for recall when work becomes available, due to his/her full-time attendance at a recognized and accredited institution, he/she may, when available, use his/her aggregate hours or seniority, as applicable, to displace the most junior Labourer 3/Student in the workplace.

5. Should a Student no longer be registered full time in a recognized and accredited educational institution, he/she shall immediately notify the City, in writing, of his/her change of status and, henceforth, he/she shall no longer be eligible for Student Recall and shall only be eligible to participate in Work Selection as a temporary employee. He/she shall be subject to all of the rights, obligations and conditions of employment pursuant to the Collective Agreement.
6. A temporary employee who enrolls full-time in a recognized and accredited educational institution, and who provides the documentation identified in paragraph 3 above, will be eligible to participate in the Student Recall process.
7. In the event that a Student cannot be reached or does not respond to a recall, the City will not be required to offer the student any further recall opportunities for that year. Subject to 27.06, he/she shall remain on the seniority list.
8. In the event that a Student does not provide all the documentation noted in paragraph 3 above, he/she will not be eligible for recall pursuant to the Student Recall process, but he/she shall, subject to 27.06, remain on the seniority list as a temporary employee.
9. It is understood that the terms of this Letter of Agreement do not diminish any Collective Agreement rights other than those provisions that may be affected by this Letter of Agreement.
10. The parties recognize the need for the expeditious resolution of disputes that may arise under this Letter of Agreement. In this regard, both parties will make every effort to resolve any dispute arising from the interpretation or implementation of this Letter of Agreement as quickly as possible. Should a resolution not be reached, the Union or the City may process the matter directly to mediation or arbitration in accordance with the terms of the Collective Agreement and both parties will make every effort to expedite the arbitration process.

LETTER OF AGREEMENT TEMPORARY WORK OPPORTUNITIES/ASSIGNMENTS

The City and Local 416 are in agreement with a work selection process for temporary work opportunities/assignments that provides choice for employees based on their seniority, required qualifications and ability, while ensuring that the City is able to meet its operational service level requirements.

This process shall govern the Layoff and Recall of temporary employees performing Seasonal and Non-Seasonal Work selected under this Letter of Agreement, effective January 1, 2010.

A Joint Committee will review and implement the work selection process for temporary employees, conduct joint information sessions and, in addition, make recommendations to the City to improve efficiencies in the process. The Joint Committee will comprise three (3) members from the City and three (3) members from the Union. Time spent during an employee's regular working hours on the Committee shall be without loss of pay, benefits, seniority or service.

Where seasonal work opportunities are required, such opportunities will be offered through Work Selection. Work Selection will normally occur in February/March of each year.

The parties recognize the need for the expeditious resolution of disputes that may arise under this Letter of Agreement. In this regard, both parties will make every effort to resolve any dispute arising from the interpretation or implementation of this Letter of Agreement as quickly as possible. Should a resolution not be reached, the Union or the City may process the matter directly to mediation or arbitration in accordance with the terms of the Collective Agreement and both parties will make every effort to expedite the arbitration process. This process shall in no way restrict either party's rights pursuant to the Collective Agreement.

The parties agree to enter into a process during the term of the Collective Agreement to jointly study past and current practices regarding the offering of seasonal opportunities to permanent employees on an alternate rate/superior duty basis, or through any other method. The parties will have access to information from Divisions regarding the methods in which seasonal work has been offered to permanent employees, the number of employees assigned the seasonal opportunities and other information reasonably related thereto that the parties may request. After the

examination of the information, the parties may agree to implement a process or processes for the offering of seasonal work opportunities to permanent employees prior to the work being offered to temporary employees. The parties may agree to implement such process(es) by Division and/or Section and/or Work Location.

As a guiding principle, in the event the parties agree, it will be understood that should a more senior employee be recalled to fill the position of the permanent employee, the senior employee will not have any right to displace the permanent employee out of the seasonal work opportunity. For clarification, the provisions of clause 23.01 will apply in the event that the permanent employee is absent for any reason.

A. Work Selection Process:

1. All known seasonal temporary work opportunities will be identified annually by the City and will be made available through Work Selection.
 - (i) At the Division's option, new and un-filled non-seasonal work assignments will be identified annually for inclusion in Work Selection.
 - (ii) Non-seasonal work assignments that were identified and selected at Work Selection in the previous year and are expected to continue beyond June 1 of the current year, will be made available through the current Work Selection. In the event a different employee, other than the employee performing the work at the time of Work Selection, selects the assignment, his/her start date will be the beginning of the second pay period in March and the end date for the current employee will coincide with that date.
 - (iii) In the event additional temporary work opportunities/assignments become available after Work Selection, they will be referred to the Joint Work Selection Committee and filled through the process defined in clause 2.02 (b) or the Letter of Agreement – Interim Alternate Processes for Article 19, unless the Committee agrees otherwise.
2. Prior to the commencement of employees selecting their work, the Joint Committee will be provided with a list of Work Selection opportunities/ assignments three (3) weeks prior to the first scheduled work selection date.
3. Prior to his/her selection day, a temporary employee will be provided with an opportunity to review the work opportunities/assignments. At the appointed date and time, a temporary employee will make his/her selection

in order of seniority, provided that he/she has the ability/qualifications to perform the work available in the opportunity/assignment chosen.

4. Information provided to employees regarding temporary work of a seasonal and non-seasonal nature through Work Selection will include:
- Division (e.g., Parks, Forestry & Recreation, Solid Waste Management, Toronto Water, Transportation);
 - Section;
 - Work reporting location;
 - Current hours of work;
 - Classification;
 - Hourly wage of the classification;
 - Current supervisor; and
 - For a Seasonal Opportunity - Duration of the work opportunity (plus or minus two (2) weeks in total at either end of the work opportunity depending on operational need).
 - For a Non-Seasonal Assignment – Anticipated duration will be included, if known. Otherwise the duration will be identified as “unknown.”
5. Temporary employees that: (a) are on layoff or (b) who through the Work Selection process are working in a seasonal opportunity or non-seasonal assignment, or (c) who have been recalled to and are working in a seasonal opportunity outside of the Work Selection process, or (d) who have bumped into a temporary position, as identified in the exception set out in paragraph C2 below and paragraph C3 below, will be invited to participate in the next Work Selection process. A temporary employee who is invited to participate in Work Selection will use his/her seniority to select an opportunity/assignment, provided that he/she has the ability/qualifications to perform the work available in the opportunity/assignment selected, as contained in his/her “Personal Work Selection List”. He/she shall remain for the full term of the opportunity/ assignment except as follows:
- (i) Employees shall have the right to apply for and, if successful, be awarded a permanent job posted in accordance with Article 19.
 - (ii) Employees shall have the right to accept superior duties/alternate rates in accordance with Article 23. Where a temporary employee who has selected a temporary work opportunity/assignment accepts a

superior duty/alternate rate, such superior duty/alternate rate will terminate no later than the end of the employee's selected work opportunity/assignment.

6. In the event that an employee declines to make a selection at Work Selection, he/she shall remain on layoff, and retain his/her layoff and recall rights in accordance with the Collective Agreement.
7. Where Custodian 3 vacancies are offered during Work Selection and not selected, such opportunities will then be immediately posted externally.
8. In the event that a temporary employee participates in any assessment process as set out in the Letter of Agreement – Interim Alternate Processes for Article 19 – Part B – Qualified Employee Inventory List and is determined, through that process, to be qualified to perform the duties of an additional opportunity/ assignment, his/her Personal Work Selection List will be updated to reflect this change.

B. Recall:

1. Each January, the City will write to all temporary employees to provide them with the option to remove classifications from their "Personal Work Selection List". The temporary employee will also advise the City of the date when he/she will be available for recall to any identified classifications. An employee may, no later than one (1) week after the completion of Work Selection, remove any classification from, or put any previously removed classification back on, to his/her "Personal Work Selection List".

An employee may, no later than one (1) week after being recalled, remove any classification from, or put any previously removed classification back on, to his/her "Personal Work Selection List".
3. If an employee's situation changes, he/she is responsible for immediately advising the City, in writing, of any changes to information on file in accordance with paragraph B1, prior to his/her work selection or recall, as applicable. If the City does not receive such notification, he/she will be recalled and required to report to the available opportunity/assignment.

C. Layoff and Bumping:

1. Temporary work opportunities/assignments of a seasonal or non-seasonal nature (as defined in clause 2.02 (b)) that were selected by employees during Work Selection will not be identified or available as bumping opportunities.
2. No temporary seasonal or non-seasonal work opportunity/assignment offered through Work Selection will be subject to bumping, unless the following exception applies: if such an opportunity/assignment is not selected through Work Selection and if it is then filled by an employee without seniority, the opportunity/ assignment will be subject to bumping at the beginning of the second pay period in September provided that the remaining portion of the work assignment is anticipated to be of five (5) weeks' duration or greater.
3. Any additional non-seasonal assignments, not made available through Work Selection, will be subject to bumping in accordance with this Letter of Agreement, when the remaining portion of the work assignment is anticipated to be of five (5) weeks' duration or greater from the effective date of the bump.
4. Each year, the City will provide to the Union, by no later than July 25, a list of all temporary employees, in seasonal and non-seasonal work opportunities/ assignments. The City will review the errors or omissions as identified by the Union and update the lists, as appropriate, as soon as reasonably possible.
6.
 - (a) In August of each year, temporary employees in seasonal work opportunities shall exercise their seniority as follows:
 - (i) accept the layoff at the end of their opportunity, or
 - (ii) identify a junior temporary employee, in an opportunity/assignment that is subject to bumping as described in the exception set out in paragraph C2 above and paragraph C3 above, from the list referred to in paragraph 4 or the corrected list, as applicable, referred to in paragraph 5 above, who he/she will bump at the end of his/her current opportunity/assignment. Article 30 – WORKPLACE SAFETY AND INSURANCE BENEFITS

- 30.01** Where, in an action arising out of an accident to an employee of the City coming within the 416 Bargaining Unit, the City recovers from a third person as a result of such accident a larger amount, exclusive of costs, than the amount paid to or on behalf of such employee including the costs of the services of the Solicitor for the City, the surplus amount shall be allocated to the employee or his dependants by the City in accordance with the requirements of the Workplace Safety and Insurance Act.
- 30.02** Where an employee who is injured in circumstances in which he may be entitled to compensation under the Workplace Safety and Insurance Act, elects to claim against a third person, he shall, as a condition of receiving Sick Pay (in accordance with Article 14A (Sick Pay Plan) or Article 14B (Illness or Injury Plan), as applicable, agree to provide in writing an undertaking to reimburse the City out of the proceeds of any settlement or judgment, exclusive of costs, upon such claim, the amount of money equivalent to the value of such Sick Pay, (in accordance with Article 14A (Sick Pay Plan) or Article 14B (Illness or Injury Plan), and Workplace Safety and Insurance Board Benefits as the case may be, and upon his having made such reimbursement, his accumulated Sick Pay, (in accordance with Article 14A (Sick Pay Plan) or Article 14B (Illness or Injury Plan), as the case may be shall be restored accordingly.
- 30.03** (a) Where an employee who is injured on duty with the City in circumstances where no action for such injuries would lie against a third person, and who is unable to work as a result of such injury, and who has made a claim to the Workplace Safety and Insurance Board in accordance with the Workplace Safety and Insurance Act, shall, provided he has qualified for Sick Pay (in accordance with Article 14A (Sick Pay Plan) or Article 14B (Illness or Injury Plan), be paid an amount equal to

his full net pay while the employee is off work and until such time as a ruling has been made by the Workplace Safety and Insurance Board.

The full net pay of an employee shall be determined by deducting from the employee's gross earnings the probable Income Tax, Canada Pension Plan premiums, and Employment Insurance premiums.

30.03 (b) If the employee's claim is denied and the employee has otherwise qualified for Sick Pay, (in accordance with Article 14A (Sick Pay Plan) or Article 14B (Illness or Injury Plan), the denial of the claim shall not act as a bar to the employee claiming benefits in accordance with the provisions of Article 14A or Article 14B.

30.04 Where the Workplace Safety and Insurance Board approves the claim, and for as long as the employee is receiving a full loss of earnings benefit in accordance with section 43 of the Workplace Safety and Insurance Act, the employee shall continue to receive the full net pay amount as defined in clause 30.03. Such full net pay shall include benefit payments approved by the Workplace Safety and Insurance Board.

30.05 If the employee is unable to return to work after a claim is approved, he shall receive:

- (1)** the benefit payments approved by the Workplace Safety and Insurance Board directly from the Workplace Safety and Insurance Board;
- (2)** for those who qualify for Sick Pay, (in accordance with Article 14A (Sick Pay Plan) or Article 14B (Illness or Injury Plan), receive the remainder of the net pay amount from the City. From the portion the employee is receiving from the City the following deductions shall be made:
 - (i)** the employee's pension contribution;
 - (ii)** if applicable, the employee's Optional Life Insurance premiums;
 - (iii)** and any further deductions required by law.

If an employee continues on WSIB after the first day of the fifth month following the date of disability, the employee shall select one of the following Pension options:

Option A – Continue enrolment in OMERS as if the employee was at work and make the necessary Pension contributions from the remaining amount

paid to the employee by the City. (NOTE: This will leave a net balance approximately equal to an employee's normal take home pay, and the employee's pension will be the same as if the employee had been actively at work throughout the period.)

Option B – Select the OMERS disability waiver of contributions and therefore the City and the employee shall not make OMERS contributions on the employee's behalf. (NOTE: this may increase the employee's take home pay. However, for pension calculation purposes, the deemed waiver earnings and the year's maximum pensionable earnings (YMPE) are indexed like the OMERS pensions. The annual increases to the deemed earnings may not match the negotiated increases received.)

No deductions will be made from the sick bank or from the Illness or Injury Plan hours, as applicable, of an employee who received payments under clauses 30.03 (a) and 30.05.

- 30.06** An employee in receipt of a loss of earnings benefit in accordance with section 43 of the Workplace Safety and Insurance Act who is not on layoff shall be considered to be an employee on the active payroll and;
- (a) Continue to accrue seniority, service, vacation and sick pay credits, and
 - (b) Continue to be entitled to benefit coverage which shall be maintained by the City in the same manner as though the employee was at work, and
 - (c) The foregoing shall have no effect on any permanent partial disability pension, which an employee may be receiving.
- 30.07** (a) Where the claim is not approved or where an employee receives monies in excess of his appropriate net pay amount, such excess shall be treated as an overpayment and the City shall make recovery from the wages of the employee. It is agreed that the affected employee(s) shall provide to the City any recovery consents required by law to give effect to such recoveries.
- 30.07** (b) In the event of an overpayment, the City shall advise the employee in advance of the implementation of any schedule of recovery with respect to said overpayment. The recovery schedule shall not exceed

the maximum permitted by the Wages Act ,R.S.O. 1990 as amended, unless the parties agree otherwise.

The City shall meet with the employee so that the employee may provide his input regarding an appropriate schedule of recovery.

The employee may be accompanied by either his steward or other Union Representative at such meeting should he so request.

- 30.08** Employees who have not qualified for Sick Pay, (in accordance with Article 14A (Sick Pay Plan) or Article 14B (Illness or Injury Plan), shall, if their Workplace Safety and Insurance Board claim is approved, receive their benefit payments from the Workplace Safety and Insurance Board.
- 30.09** An employee, who sustains a compensable injury and, as a result, must leave work before the end of his shift, on the day the injury occurred shall be paid to the end of the shift.
- 30.10** Where an employee sustains a workplace injury, the employee is entitled to make the initial choice of health professional for the purpose of obtaining necessary and appropriate health care. Notwithstanding this entitlement, the parties recognize that the injury may require immediate health care from the first available health professional.
- 30.11** Where an employee is requested to meet with a representative of the City with respect to an illness or injury, the employee shall be advised they may be accompanied by a representative of the Union.

- 1.** When an employee retires, if the employee was in receipt of Workplace Safety and Insurance Benefits and a disability waiver of premium benefit at any time during the employee's employment with the City and if the effect of that disability waiver of premium benefit is to reduce the employee's pension entitlement, the City will provide the difference between the employee's

pension and the pension to which the employee would have been entitled had the employee not been on said disability waiver of premium benefit;

2. If the employee is unable to return to work after a claim is approved, he shall receive the benefit payments approved by the Workplace Safety and Insurance Board directly from the Workplace Safety and Insurance Board and for those who qualify for Sick Pay, (in accordance with Article 14A (Sick Pay Plan) or Article 14B (Illness or Injury Plan), receive the remainder of the net pay amount from the City. From the portion the employee is receiving from the City, the following deductions shall be made: the employee's Pension contributions and if applicable, the employee's Optional Life Insurance premiums and any further deductions required by law. When a waiver of pension contributions is in effect, the portion of the net pay amount the employee is receiving from the City shall be reduced proportionately. No deductions will be made from the IIP hours/sick pay or capped sick pay credits of an employee who received payments under clauses 30.03 (a) and 30.05 (Note: This will leave a net balance approximately equal to an employee's normal take home pay.)

Prior to the renewal of any existing contracts with providers of third party assessments, the Joint Committee will review, assess and make recommendations with respect to the renewal of the contract(s) or selection of alternate provider(s).

Article 31 – NO STRIKE OR LOCKOUT

- 31.01 There shall be no strike or lockout during the term of this Agreement. The words "strike" and "lockout" shall be as defined by The Labour Relations Act, 1995, as amended.

32.02 Safety equipment and safety attire will be supplied to all employees who are required to perform duties where hazards exist. Where the City provides safety equipment, safety clothing or working attire, it must be worn by the employee, provided, however, that it is recognized that there may be occasions during an employee's working hours when the wearing of such equipment, clothing or attire is unnecessary to the employee's safety or well-being.

32.03 Local 416 Protective Equipment, Protective Clothing and Wearing Apparel Policy

Purpose Statement

This policy, jointly developed by Local 416 and the City of Toronto through the Protective Clothing and Wearing Apparel Committee, applies to the use, provision, acquisition, maintenance and replacement of personal protective equipment (PPE), protective work clothing and other wearing apparel for employees who are members of the Local 416 bargaining unit. The policy applies to all City divisions with employees who are members of the Local 416 bargaining unit.

It is agreed that the City of Toronto will provide employees with personal protective equipment (PPE) as prescribed by the hazards of the job or workplace. In addition, the City will provide protective work clothing and other wearing apparel where required by job demands and as outlined in this policy.

It is agreed that employees who are issued PPE and/or protective work clothing will use and/or wear this PPE and/or protective work clothing at all times when it is needed for their protection or by regulation. They are responsible for complying with the division's PPE and protective clothing requirements, properly maintaining PPE and reporting any defective PPE.

Notwithstanding the provisions outlined in this policy, the Union and the City reserve the right to address any additional PPE, protective clothing or wearing apparel issues that may arise during the term of the Collective Agreement.

32.03 (a) Personal Protective Equipment and Protective Clothing

Definitions

Personal protective equipment (PPE) is defined as equipment or devices worn or used to control exposure to hazardous substances or conditions or to prevent accidental injuries or serious harm to employees working in hazardous or potentially hazardous conditions or areas. PPE includes, but is not limited to head protection, hearing protection, eye and face protection, body protection, hand protection, foot protection, respiratory protection and fall protection.

Protective work clothing is attire worn over or in place of regular clothing to protect the employee from hazards. Protective work clothing may include, but not be limited to coveralls, overalls, aprons, laboratory coats, rainwear, high-visibility clothing and, in some cases, shirts and pants, where such clothing is either high-visibility, ballistic and/or fire-retardant.

Conditions

- The parties recognize that aspects of this policy are governed by legislation and the parties are committed to compliance with all applicable legislation.
- PPE will be utilized when hazards cannot feasibly be controlled or eliminated by other means.
- PPE will be properly fitted to the user and instruction on the use, care, maintenance and limitations of the PPE will be provided.
- Defective or damaged PPE shall not be used.
- PPE and protective clothing that has been worn next to the skin by employees shall be cleaned and disinfected before it is re-issued to other employees.
- Before any PPE is used by employees, employees will be made aware of the reasons for using the PPE and how to properly use and maintain it.

- Replacement of PPE and protective clothing will be conducted on an “as required” basis, based on its condition and/or manufacturers’ instructions.
- PPE and protective clothing will be in conformance with legislated requirements and the most recent version of the applicable industry standards, e.g. CSA, ANSI.
- It is understood that protective devices of a non-personal nature are needed for the performance of certain tasks (e.g., Animal Services’ snare sticks, Toronto Water gas monitors, Parks Forestry and Recreation floatation devices). Such equipment can be shared, provided that it is readily available for use, when required, and employees are adequately trained in its use and limitations.
- Seasonal employees will be provided with PPE and protective clothing, as required by the nature of the work to be performed and appropriate to the season to be worked.
- Prescription safety eyewear from vendors located off City worksites will be acquired on the employee’s own time.
- The City agrees to maintain the existing or equivalent boot truck service at City worksites, with employees having the same procurement rights as now exist. Where, because of special size or fitting requirements, or lack of boot truck service, employees cannot obtain safety boots from a boot truck, they shall be given a maximum of one hour of City paid time to purchase safety boots from City-contracted vendor’s stores.

Responsibilities

Divisions will:

- in consultation with joint health and safety committees (JHSC), introduce, to the extent feasible, engineering and/or administrative hazard control measures to minimize the need for PPE. Such control measures may include:
 - eliminating the hazard from the workplace
 - substituting or replacing a hazard or hazardous work practice with a less hazardous one
 - isolating/separating the hazard or hazardous work practice from workers, or

- modifying tools or equipment, providing guarding, barriers or ventilation
- in consultation with joint health and safety committees, determine the need for PPE and protective clothing based on job hazards, and provide such equipment and/or clothing to employees
- ensure consistent practices are applied across their divisions
- when purchasing protective clothing, consider actual and potential hazards of the job, including traffic, electricity, cold, heat, fire, UV radiation, biological hazards and the West Nile Virus. If conflicts arise between design criteria to address multiple hazards, select on the basis of the most significant hazard
- ensure that written procedures are in place to administer the selection, use and maintenance of PPE and protective clothing
- train employees in the requirements for and proper use, care, and maintenance of PPE
- maintain a record of the PPE issued to employees and the training of those employees in the use of that PPE
- establish an inspection program for PPE when required by legislation and/or industry standards
- whenever possible, co-ordinate purchases of PPE and protective clothing through Purchasing and Materials Management, to facilitate consistency in PPE selection across divisions and cost-effective provision of needed PPE to employees
- not permit alterations of PPE without permission from the manufacturer
- Employees will be provided with thermal coveralls and parkas as set out below. Those employees who are currently entitled to bomber jackets instead of parkas will have the right to replace such bomber jackets, unless it remains in serviceable condition.
- Employees will be provided with initial entitlement of all other items of protective clothing, as set out in this policy.
- Initial entitlement will be pro-rated to recognize items already issued in the one-year period immediately preceding the date of issue.
- Annual entitlement, where applicable, will commence on or before April 1st, for spring and summer protective clothing, and on or before November 1st, for fall and winter protective clothing.

Purchasing and Materials Management will:

- where appropriate, specify in purchasing documents that PPE and protective clothing must comply with the relevant Canadian Standards Association standard or, in the absence of a CSA standard, an equivalent standard
- require any organization supplying PPE to the City to state in writing that such PPE complies with the relevant identified standard or equivalent
- consider ergonomic principles and usability in the specification and selection of PPE.

Employees who are issued PPE and/or protective clothing will:

- use and/or wear this PPE and/or protective clothing at all times when required for their protection
- care for and maintain PPE and/or protective clothing as advised by their divisions
- report defective PPE and/or protective clothing to their supervisors
- not alter the integrity of PPE or protective clothing
- When PPE and/or protective clothing or footwear is replaced on an “as required” basis, the employee must return the item being replaced for inspection. Retention may be required in some circumstances, e.g., if defective equipment or clothing is to be returned to the supplier, if clothing is part of a uniform worn by an enforcement officer, or if PPE has expired and is no longer safe to be used.

Occupational Health and Safety staff, in consultation with the JHSC, will:

- assist divisions by advising on required PPE and/or protective clothing for job duties
- assist divisions to ensure that PPE and/or protective clothing is in conformance with regulatory requirements and/or accepted industry standards.

- Prescription eyewear will not be provided to short-term seasonal employees. Rather, the safety hazards will be addressed as follows: 1. Impact protection will be addressed by the provision of goggles to be worn over the worker's own glasses, and 2. In the event that there are concerns with respect to the three (3) factors identified above, the parties will meet in order to discuss those concerns. For clarification, it is agreed and understood that this provision does not diminish any rights contained in Article 46 of the Collective Agreement.

3. The employees requesting opportunities under Part A, paragraph 1 or referred under Part A, paragraph 2, will be selected based on seniority, a positive match between the employee's career interests and the opportunities available, operational requirements (e.g., work location) and recommendations from the CMWC, where applicable.

LETTER OF AGREEMENT

JOB EVALUATION MAINTENANCE PROGRAM

1. The parties agree to develop a process of meaningful input, as set out in clause 19.01(b) of the Collective Agreement, with the mutual goal of designing a process to effectively and efficiently resolve disputes regarding job content and to ensure the internal equity of job classifications. Until the parties reach agreement on a Job Evaluation Maintenance Program (the "Program"), the provisions of clause 19.01(b) shall continue to apply with respect to the process for addressing new or changed job content and qualifications, and the provisions of clause 7.03 shall continue to apply with respect to the process for addressing the rate of pay for a new or changed job classification. Once in place, the Program will be applied to identify when new or changed job content and qualifications occur in the job duties or requirements of a job classification and when such changes may require an amendment to the existing job profile or to a change in the wage grade, or both.

2. The parties agree to establish a Joint Committee within one hundred and twenty (120) calendar days of July 31, 2009 to develop the Program. The Program will outline a dispute resolution process which will include mediation and arbitration. The Joint Committee shall have three (3) representatives from each party. In the event the Joint Committee cannot reach agreement on the design of the Program, the matter will be referred to the President of Local 416 and the Executive Director of Human Resources for resolution. Failing resolution either party may refer the matter to mediation. The parties agree to mutually decide on the mediator and share equally in any cost.
3. Failing resolution through mediation, the parties will each select their own nominee in order to assist the parties in resolving any matters remaining. The two (2) nominees will then select a Chair of the Board of Arbitration which will consider any matters in dispute between the parties and make a final and binding determination of the design of the Program. The Arbitration Board will not have the authority to modify those elements to which the parties have already agreed, including those matters set out in this document. The cost of the Chair will be shared equally by both parties.
4. The parties agree to jointly determine the methodology for reviewing job classifications and that the Program will contain the following elements:
 - (a) It will incorporate a gender neutral comparison system;
 - (b) It will assess and compare job classifications, based upon the established measures of Skill, Effort, Responsibilities and Working Conditions;
 - (c) It will incorporate a process through which new job classifications established by the City will be evaluated in order to determine their applicable wage grade;
 - (d) It will incorporate a process to determine whether a changed job classification should move to a new wage grade in order to ensure internal equity;
 - (e) It will incorporate a process through which disputes regarding new and changed job classifications will be resolved;
 - (f) In the event that it amends the wage grade of any position, it will do so on a go-forward basis and without retroactive application; and

- (g) It will provide transitional wage protection for employees of the bargaining unit who will be protected from loss of income (redcircled) in the event that it is determined that the wage grade for the position that the employee holds is to be reduced, unless otherwise mutually agreed by the parties.

Once completed, the documents comprising the program will form an Appendix to the Collective Agreement.

- 5. Upon agreement of the parties, existing job classifications requiring additional review with regard to the scope, content of duties and matters related to internal equity may be reviewed through the Program. This will include:
 - (i) Reviewing job classifications with a view to determine which, if any, classifications should be “unbundled” into more than one job classification; and
 - (ii) Reviewing job classifications with a view to determine if new job classifications should be developed.
- 6. It is understood that once the Program is in effect, any changes to the existing job profiles or any adjustments to the wage grade of a position will be without retroactive application from the date the parties agree to the change.
- 7. Outstanding grievances as at July 31, 2009 will proceed in an expeditious manner through the grievance and arbitration procedure in accordance with clause 7.03 and clause 19.01(b) as referenced in paragraph 1 of this Letter of Agreement.

NOTE: The initial Job Evaluation Process was implemented effective December 31, 2004. The above noted Program is designed to provide an ongoing maintenance program consistent with the original agreement between the parties. The parties agree that until such time as the parties have signed off on the Gender Neutral Comparison System (GNCS), Article(s) 7.03 and 19.01(b) of the Collective Agreement shall be enforceable. Upon the mutual agreement of both parties signing off on the GNCS, Article 7.03 and 19.01(b) shall be deemed inoperative, and the dispute resolution mechanism contained within the Job Evaluation Terms of Reference shall be utilized.

MEMORANDUM ITEM ONLY TORONTO PARKING AUTHORITY

For the purposes of position deletion, lay-off and recall, Article 46 of the Local 416 Collective Agreement will continue to govern the manner in which the employee is treated.

This paragraph will be effective commencing ninety (90) calendar days following the execution of this Carriage of Seniority Memorandum.

Part B - CUPE, Local 79

The Local 79 Full-time Collective Agreement

13. The City and Local 79 agree that they will administer article 20 of the Full-time Collective Agreement between them (the "Local 79 Full-time Collective Agreement") for the remainder of its term, and any extension thereof, in accordance with the provisions of this Memorandum of Agreement, including but not limited to paragraph 14.

14. The City and Local 79 agree that, at the conclusion of its term they will recommend to their principals the amendment of the Local 79 Full-time Collective Agreement to add the following receiving clause, in place of the current clause 6.07,:

“XX.XX Where an employee covered by the TCEU Local 416 Collective Agreement is assigned to work on an alternate rate to a position in the Local 79 Full-time bargaining unit such employee shall upon the commencement of the first pay period following the completion of thirty (30) continuous working days in the position in the Local 79 Full-time bargaining unit, become a member of the Local 79 Full-time bargaining unit for all purposes for the duration of the alternate rate assignment subject to the terms and conditions of the tri-partite agreement between Local 79, TCEU Local 416 and the City governing the carriage of seniority, dated <<date>>, (the “Carriage of Seniority Memorandum”), between the TCEU Local 416 and the Local 79 Full-time bargaining units. Once the alternate rate assignment is terminated, the employee concerned shall return to the TCEU Local 416 bargaining unit.”

Movement from Local 79 to Local 416

15. The dues of an employee covered by the Local 79 Full-time Collective Agreement (a “Local 79 member”) who becomes a member of the Local 416 bargaining unit pursuant to paragraphs 1. or 2. above, shall be remitted to Local 416 for the duration of the alternate rate assignment. Local 416 shall, subject to paragraphs 17. and 23., have the exclusive authority and duty to represent the employee in all matters relative to the employee’s employment as a member of the Local 416 bargaining unit. During the period that the employee is a member of the Local 416 bargaining unit, as a result of the alternate rate assignment, the employee’s seniority shall consist of the aggregate of seniority accrued under the Local 79 Collective Agreements and the seniority accruing under the Local 416 Collective Agreement except for the purposes of job posting, promotion, position deletion, layoff and recall. Overtime will be distributed in accordance with the Local 416 Collective Agreement. For the purposes of job posting and promotion, the employee’s seniority shall consist solely of seniority accrued under the Local 416 Collective Agreement as a member of the Local 416 bargaining unit

since the commencement of the first pay period following the completion of thirty (30) continuous working days of the employee's then current alternate rate assignment. In the event of the layoff of employees pursuant to clause 29.02 of the Local 416 Collective Agreement or the deletion of positions in the Local 416 bargaining unit in the classification to which the employee has been assigned, on an alternate rate basis, the employee shall be reverted, by the City, to the Local 79 Full-time bargaining unit in accordance with the Local 79 Full-time Collective Agreement.

- 16.** During the period that the employee is a member of the Local 416 bargaining unit, as a result of the alternate rate assignment, the employee shall continue to be covered by the following provisions of the Local 79 Collective Agreement:
- Article 10 (Vacations)
 - Clause 11.14 and Schedule 2 as referred to therein (STD Plans)
 - Article 13 (Pensions and Retirement)
- 17.** Notwithstanding paragraph 15., when a Local 79 member is assigned to an alternate rate assignment in the Local 416 bargaining unit, Local 79 shall represent the employee with respect to any matter that is listed in paragraph 16. above. In respect of all other matters, Local 416 shall represent the employee and Local 416 and Local 79 will meet to discuss contribution by Local 79 to the cost of any legal proceedings.
- 18.** A Local 79 member who is temporarily placed in the Local 416 bargaining unit as a result of an alternate rate assignment and who returns to the Local 79 Full-time bargaining unit in accordance with the Local 79 Full-time Collective Agreement will do so without loss of seniority and with credited seniority for the period of such alternate rate assignment.
- 19.** In order to ensure that the previously accrued seniority of former members of the Local 79 Full-time bargaining unit who, after May 11, 2000 and before October 12, 2005, moved permanently into a position covered by the Local 416 Collective Agreement (the "Former Local 79 Members") is recognized, the parties agree that:
- (i)** Within ninety (90) working days following the execution of this Carriage of Seniority Memorandum, the City shall provide to both Local 79 and to Local 416 a list based upon such records as are available of all

Former Local 79 Members (the "79 Member List") which list shall include, in relation to each Former Local 79 Member,:

- (a)** his or her name;
- (b)** the Local 79 seniority date, as he or she possessed at the date that he or she moved permanently into a position covered by the Local 416 Collective Agreement;
- (c)** the Local 416 seniority date, acquired by the Former Local 79 Member since he or she moved permanently into a position covered by the Local 416 Collective Agreement; and
- (d)** the Former Local 79 Member's cumulative Local 416 seniority date, being the seniority date resulting from the combined effect of the seniority dates described in (b) and (c).
 - (ii)** At the same time, the City will send a letter to all Former Local 79 Members, identified on the 79 Member List, providing the information contained in paragraph 7(i). This information will be sent to the current home address on record with the City. The City shall provide Local 79 and Local 416 with a copy of the letter sent to each such Former Local 79 Member.
 - (iii)** The Former Local 79 Member will have a period of sixty (60) working days from the date of the City's Letter, to bring forward in writing to the City, Local 416 and Local 79, any dispute he or she has with the cumulative Local 416 seniority date set out in the City's letter and the basis for the dispute (the "Dispute letter").
 - (iv)** If the Former Local 79 Member does not dispute the seniority date described in the City's letter within the sixty (60) working day period, the cumulative Local 416 seniority date shall thereafter be finalized with no retroactive application.
 - (v)** If the Former Local 79 Member does dispute the seniority date described in the City's letter within the sixty (60) working day period, the dispute will be resolved in accordance with the following dispute resolution process:
 - (a)** Within the sixty (60) working day period following the date of

the Dispute letter, Local 79 and Local 416 will meet and attempt to resolve the dispute;

- (b) In the event that Local 79 and Local 416 are successful in resolving the dispute, such resolution shall be brought to the City for its consideration;
- (c) In the event that the City agrees to the resolution proposed by Local 79 and Local 416, the cumulative Local 416 seniority date shall thereafter be finalized with no retroactive application;
- (d) In the event that either the City does not agree to the resolution proposed by Local 416 and Local 79 or that Local 416 and Local 79 are unsuccessful in resolving the dispute, the matter will be referred to <<name>> acting as arbitrator to hear and determine said disputes. The parties may agree to an alternative arbitrator. The cost of the arbitration shall be shared equally by the parties.
- (e) The parties agree to cooperate in scheduling a sufficient number of arbitration dates to dispose of outstanding disputes as expeditiously as reasonably possible.
- (f) The process to be followed in resolving the disputes referred to the arbitrator will fairly and finally determine and resolve seniority disputes regarding the Former Local 79 Member's cumulative Local 416 seniority date which shall thereafter be finalized with no retroactive application. This procedure will include:
 1. The Former Local 79 Member will outline their claim; give evidence under oath or affirmation; and present relevant documents and statements;
 2. Local 79 and Local 416 will have the opportunity to support or respond to the employees' claims and make any submissions;
 3. Local 416 will take no position as to the appropriate interpretation of the seniority provisions of the Local 79 Collective Agreement;

4. The City will have the opportunity to respond to employees' claims and make any submissions;
5. The arbitrator will make a final determination on the dispute, but he is not required to give any reasons.
6. The arbitrator shall have all the powers of an arbitrator under the Labour Relations Act and the collective agreement between the parties.
7. The arbitrator's decision will be final and binding on the parties and any affected employee.

Accommodation from Local 79 to Local 416

20. Notwithstanding paragraph 25. below, if a disabled employee covered by the Local 79 Full-time Collective Agreement cannot be accommodated in the Local 79 Full-time bargaining unit, the disabled employee may, without limiting the City's duty to accommodate, be accommodated in the Local 416 bargaining unit. An accommodation in the Local 416 bargaining unit may be temporary or permanent. A temporary accommodation is any accommodation where there is a reasonable expectation, medically supported, that the employee's disability will diminish within a reasonable period of time to the extent that the employee will be capable of resuming work with or without accommodation within the employee's own position. A permanent accommodation is any accommodation where there is no reasonable expectation, medically supported, that the employee's disability will diminish within a reasonable period of time to the extent that the employee will be capable of resuming work with or without accommodation within the employee's own position.
21. When a disabled employee covered by the Local 79 Full-time Collective Agreement is temporarily accommodated in the Local 416 bargaining unit the employee shall be covered by paragraphs 1. or 2. above. However, notwithstanding anything contained in this Carriage of Seniority Memorandum, a disabled employee covered by the Local 79 Full-time Collective Agreement and accommodated temporarily in the Local 416 bargaining unit shall continue to be covered by the following provisions of the Local 79 Full-time Collective Agreement:

- Article 10 (Vacations)
- Clause 11.14 and Schedule 2 as referred to therein (STD Plans)
- Article 13 (Pensions and Retirement)
- Article 46 (Modified Work Program).

- 22.** During the period that the disabled employee covered by the Local 79 Full-time Collective Agreement is temporarily accommodated in the Local 416 bargaining unit, the employee's seniority shall consist of the aggregate of seniority accrued under the Local 79 Collective Agreements and the seniority accruing under the Local 416 Collective Agreement except for the purposes of overtime, job posting, promotion, position deletion, lay-off and recall. For the purposes of overtime, job posting and promotion the employee's seniority shall consist solely of seniority accrued under the Local 416 Collective Agreement as a member of the Local 416 bargaining unit since the commencement of the first pay period following the completion of thirty (30) continuous working days of the employee's current accommodation assignment in the Local 416 bargaining unit. For the purposes of position deletion, lay-off and recall, Article 21 and 35 of the Local 79 Full-time Collective Agreement will continue to govern the manner in which the employee is treated.
- 23.** Notwithstanding paragraph 15., when a disabled employee covered by the Local 79 Full-time Collective Agreement is temporarily accommodated in the Local 416 bargaining unit, the disabled employee's dues shall continue to be remitted to Local 79 for the entire duration of the temporary accommodation in Local 416. Local 79 shall represent the employee with respect to any matter that is listed in paragraph 21. above. In respect of all other matters, Local 416 shall represent the employee and Local 416 and Local 79 will meet to discuss contribution by Local 79 to the cost of any legal proceedings.
- 24.** When a Local 79 member is permanently accommodated in the Local 416 bargaining unit, the employee shall not be considered temporarily accommodated and all provisions of the Local 416 Collective Agreement shall apply in all respects and without limitation. Any adjustment that permanently recognizes full seniority (i.e., combined Local 79 and Local 416) within the Local 416 Collective Agreement will apply only from the date of the

commencement of such permanent accommodation and will have no retroactive application. This paragraph will be effective commencing ninety (90) calendar days following the execution of this Carriage of Seniority Memorandum.

Part C - General Matters

Employee Accommodation

25. All parties confirm that they are committed to the principle that the accommodation of a disabled employee should occur first within the disabled employee's own bargaining unit.

Employee Representation Disputes

26. In the event of any difference between Local 416 and Local 79 in regards to which bargaining unit bears the obligation to represent an employee in any grievance or any dispute or difference regarding contribution to the cost of legal proceedings as provided for in paragraphs 5, 11, 17 or 23, Local 416 and Local 79 shall resolve that matter, outside of the context of the individual grievance and without impact on the carriage of the grievance or the involvement of the City in accordance with paragraphs 27(ii) to (iv).

Dispute Resolution Process

27. In the event there is a dispute, but for a dispute arising under paragraphs 7 or 20 the matter will be referred to the dispute resolution mechanism set out herein, the cost of which shall be borne equally by the parties,:
- (i) any party shall have the right to refer any unresolved issue, to the City's Director of Employee and Labour Relations and to the President of Local 79 and the President of Local 416, or their respective designates, for immediate discussion and speedy resolution.
 - (ii) in the event that the issue is not resolved within fifteen (15) working days from the date of this referral, then any party shall have the right to refer the issue(s) in dispute to expedited arbitration. It is agreed that the arbitrator shall have the jurisdiction to hear the substance of the issues and the parties agree they will not raise jurisdictional objections in this regard.

(iii) if any party refers the issues in dispute to an expedited arbitration process, the dispute shall be heard by any of the following arbitrators through a random selection process:

D. Randall

M. Nairn

(iv) The arbitrator's decision shall be rendered, with or without reasons on the same day that the dispute is heard, with reasons to follow. The parties will jointly advise the arbitrator of the need for an immediate decision.

Further Matters

28. This Memorandum of Agreement shall constitute a full and final settlement of CUPE, Local 79's Grievance No. PC07-06-8209 and Local 416's Application to the Labour Board (Board File Number 2705-05-U).
29. Upon execution of this Carriage of Seniority Memorandum, Local 79 shall satisfy its commitment to Local 416 described under a separate letter concerning certain monies held by the Fort York Credit Union or its successor.
30. This Carriage of Seniority Memorandum shall be deemed to have been entered into pursuant to Section 96 of the Act and shall be enforceable as such. All differences between the parties, including all grievances in relation to the remittance of dues for Local 79 members on alternate rates in the Local 416 bargaining unit and all grievances in relation to the remittance of dues for Local 416 members on alternate rates in Local 79 Full-time bargaining unit, as listed in Appendix "A" to this Carriage of Seniority Memorandum, shall be deemed withdrawn by the effect of the parties signing this Carriage of Seniority Memorandum.

32. This Carriage of Seniority Memorandum shall only be amended by the agreement of all three parties.
33. This Carriage of Seniority Memorandum shall form an Appendix to both the Local 416 Collective Agreement and the Local 79 Full-time Collective Agreement.

Memorandum of Agreement

Between

City of Toronto

And

Toronto Civic Employees' Union, Local 416 – CUPE

Whereas paramedic employees of the City of Toronto are currently employed pursuant to the collective agreement between the City of Toronto and the Toronto Civic Employees Union, Local 416 (CUPE) that expired on December 31, 2011; (hereinafter the “old collective agreement”); and,

Whereas the parties have met and negotiated changes to that old collective agreement; and

Whereas a new collective agreement has been created by the parties (hereinafter the “new collective agreement”); and,

Whereas the parties have agreed to introduce the classification of part-time paramedic into the TCEU, Local 416 bargaining unit; and,

Whereas the parties wish to create a new schedule to the new collective agreement whereby full-time and part-time paramedic employees will be employed pursuant to a separate schedule to the new collective agreement between these two parties (hereinafter “Schedule P”);

And whereas the parties wish to establish a process for the mandatory interest arbitration of the future terms and conditions of paramedics on the basis that during any future labour dispute all paramedics will be required to work;

Now therefore, the parties agree as follows:

1. Effective at 12:01 am on the day following the date of ratification by the City of Toronto of the amendments to the old collective agreement, the City of Toronto and the Toronto Civic Employees' Union, Local 416 (CUPE) agree that a new separate schedule applying solely to all full-time and part-time paramedic employees of the City of Toronto (Schedule P), shall come into effect.

Developing Schedule P

2. For the purposes of this Memorandum and Schedule P to the collective agreement, “full-time” shall mean those paramedics who work an average of 40 hours per week; and “part-time” shall mean those paramedics who are regularly employed for such hours as are agreed to by the parties or determined by the mediation-arbitration process, as set out paragraphs 6 through 12 of this Memorandum. Schedule P to the collective agreement shall consist of all of the provisions of the new collective agreement in its totality. This Memorandum of Agreement shall not form part of the collective agreement except where expressly stated herein.
3. Within six weeks of the creation of Schedule P, the parties shall meet to discuss in good faith whether to eliminate any provision(s) in Schedule P on the basis that they have no application to full-time paramedics. In the event that the parties are unable to agree upon the articles which do not apply to full-time paramedics, the contents of Schedule P applicable to full-time paramedics shall be as described in paragraph 2 above, as amended by this process. Either party may raise any outstanding issues in the next round of negotiations at the expiry of the new collective agreement on December 31, 2015.

Terms and Conditions for Part-time Paramedics

4. The parties have agreed to establish a part-time paramedic classification within the bargaining unit. No employee shall be hired into the classification of part-time paramedic until the terms and conditions of their employment have been determined as set out herein.
5. Following ratification of the new collective agreement, each party shall identify those provisions which they wish to address concerning the terms and conditions of employment for part-time paramedics which are to be included in Schedule P. The parties shall meet and negotiate an agreement in good faith.
6. In the event that the parties are unable to agree upon the terms and conditions for the part-time paramedics by August 1, 2012, either party may refer the outstanding matter(s) to a mediation-arbitration for a final and binding determination. The Board will be composed of a single arbitrator.

7. The parties shall appoint Larry Steinberg. In the event that he is unable to conclude this matter within the time frame set out below, William Kaplan will be asked to serve as arbitrator. The parties agree to share the costs of arbitrator.
8. The parties will co-operate to ensure that the hearing before the Board will be held as soon as possible. To this end, the parties will ask the Chair, immediately upon appointment, to schedule at least four (4) days for hearing over the months of September 2012 to November 2012, inclusive.
9. The powers of the Board of Arbitration and all other matters in relation to the arbitration shall be as set out in 20 to 22 of the Ambulance Services Collective Bargaining Act, 2001, amended by this agreement to accommodate the mediation-arbitration process, save that all references to a “collective agreement” shall be deemed to be reference to the terms and conditions for part-time –time paramedics to be included in Schedule P. Those provisions will be deemed to form part of this agreement.
10. Any resolved matters will be agreed upon in writing and signed by the designated representatives of the parties. No such matters shall be referred to the Board of Arbitration for determination. Positions taken by either party during negotiations that are not the subject of such a written agreement shall not be in any way whatsoever disclosed to or used by any Board of Arbitration appointed to resolve such dispute. The decision of the Board will be delivered to the parties as expeditiously as possible following the conclusion of the hearings. The decision of the Board shall incorporate any resolved matters previously agreed upon in writing and signed by the designated representatives of the parties and shall, together with any matters determined by the board, thereafter, form part of Schedule P.

Collective Agreement Provisions

11. The parties agree that the ratio of part-time paramedics to full-time paramedics in the bargaining unit shall not exceed one (1) part-time paramedic for every five (5) full-time paramedics.
12. The parties agree that, at the expiry of the new collective agreement on December 31, 2015 and each subsequent collective agreement (which, for greater clarity, includes Schedule P) any outstanding issues relating to the

terms and conditions of full-time and part-time paramedics under Schedule P that are not resolved through collective bargaining shall, following the earlier of the ratification of the terms and conditions of employment for non-paramedics or following the issuance of any future No Board Report, or at such other time as the parties may agree, be settled through mandatory tripartite interest mediation-arbitration conducted in accordance with the procedures settled through mandatory tripartite interest mediation-arbitration conducted in accordance with the procedures set out in sections 20(2) to 22 of the Ambulance Services Collective Bargaining Act, 2001, as amended, save that all references to a “collective agreement” shall be deemed to be reference to the terms and conditions for paramedics to be included in Schedule P, and with any necessary modifications as appropriate for a three person interest mediation-arbitration board. The parties agree, however, that the duration of the application of Schedule P shall be the term of the collective agreement negotiated between the parties and shall not be a matter referred by either party to mediation-arbitration.

13. The parties agree that they will not seek any alterations to the dispute resolution mechanism set out herein during negotiations for the renewal of each subsequent Collective Agreement. The parties further agree that they will jointly ask the Board of Arbitration to include the dispute resolution mechanism, as set out in paragraphs 12 to 17 of this Memorandum, in its Award.
14. The Board will be composed of one person nominated by each of the parties and a Chair. The parties agree to share the costs of the Chair. The interest arbitration procedure shall utilize a three person board of arbitration. The powers of the Board of Arbitration and all other matters in relation to the arbitration shall be as set out in 20(2) to 22 of the Ambulance Services Collective Bargaining Act, 2001, as amended as appropriate for a three person interest arbitration board. Those provisions will be deemed to form part of this agreement, save that all references to a “collective agreement” shall be deemed to be reference to the terms and conditions for paramedics to be included in Schedule P, and subject to any necessary modifications as appropriate for a three person interest mediation-arbitration board.

- 15.** Both parties will name their nominees to the Board of Arbitration within ten (10) calendar days of the referral, or such later date as the parties may agree in writing. The nominees will agree on a chair of the Board of Arbitration within an additional ten (10) calendar days, failing which either party may ask that the Office of Arbitration appoint the chair. The parties will co-operate to ensure that the hearing before the Arbitrator will be held as soon as possible following ratification of the collective agreement. For greater certainty, the parties agree that the hearing before the board of arbitration will not commence until the renewal of the TCEU Local 416 bargaining unit collective agreement containing terms and conditions of employment covering non-paramedic employees has been ratified by both parties and will ask the Chair, immediately following ratification, to schedule at least three (3) days for hearing over the three (3) month period following the date of ratification.
- 16.** The terms and conditions of employment of paramedics set out in schedule P and any rights, privileges or duties of those employees or the City or TCEU, Local 416 in relation to those employees continue in effect until the Board of Arbitration renders its decision unless the parties agree otherwise. Without limiting the generality of the foregoing:

 - (a)** the City shall not, except with the consent of TCEU, Local 416, alter the rates of wages or any other term or condition of employment or any right, privilege or duty of the City or the paramedics; and
 - (b)** TCEU, Local 416 shall not, except with the consent of the City, alter any term or condition of employment or any right, privilege or duty of the City, TCEU, Local 416 or the paramedics.
- 17.** Any resolved matters will be agreed upon in writing and signed by the designated representatives of the parties. No such matters shall be determined by the Board of Arbitration. Positions taken by either party during negotiations that are not the subject of such a written agreement shall not be in any way whatsoever disclosed to or used by any Board of Arbitration appointed to resolve such dispute. The decision of the Board will be delivered to the parties as expeditiously as possible following the conclusion of the hearings. The decision of the Board shall incorporate any resolved matters previously agreed upon in writing and signed by the designated representatives of the parties

and shall, together with any matters determined by the Board, thereafter form part of the collective agreement.

Essential Services Agreement

- 18.** The parties agree that this paragraph 18 shall constitute their essential services agreement and shall be incorporated into their collective agreement. The parties further agree that paramedics shall not strike and the City shall not lock out the paramedics. Further to this agreement that all paramedics will work during any future labour disruption, the parties agree that neither party shall make an application before the Ontario Labour Relations Board under the Ambulance Services Collective Bargaining Act, 2001 to reduce the number of paramedics working during any future labour disruption to less than 100% of all paramedics. The parties agree that they will make no submissions in any interest arbitration proposing changes, amendments and/or modifications to this paragraph 18 and that no interest arbitrator or Board of Arbitration appointed by them shall have jurisdiction to award any changes, amendments and/or modifications to this paragraph 18.
- 19.** Paragraphs 12 to 17 of this Memorandum of Agreement shall be incorporated by the parties as an article in Schedule P to the new collective agreement.
