

MOBILIZATION Registration for ALL Outside Division Local 416 Members

Our bargaining team has met with City management and is at the bargaining table, working hard to negotiate the renewal of your collective agreement.

We know from past experience that our membership strength translates into strength at the bargaining table. Now is the time to get organized and prepared in the event of a possible work stoppage. Currently, the Local 416 Mobilization Committee is coordinating our work stoppage preparations. Registration of all Local 416 members must begin now.

NOW is the time to identify Picket Captains and Volunteers for the various committees that will be required in the event of a work stoppage. Please note that ALL members must register and participate in ASSIGNED duties in order to receive their strike pay.

Please fill out the form below and return it to your Union Steward or by fax at 416-968-7829. If you require additional information, please contact a member of the Mobilization Committee at the Union Hall at 416-968-7721 or by email at mobilization@local416.org.

In solidarity,
