PF&R DETAILS – COVID 19 AND THE IMPACT ON THE WORKFORCE

RE: PF&R UNIT UPDATE (CONFERENCE CALL APRIL 5, 2020)

The information we communicated yesterday was that the seasonal workers who are scheduled to return April 8, 2020, will not be recalled at this time.

The City is utilizing language in the Collective Agreement that allows them to delay the start of any assignment by two weeks.

Once we are in receipt of additional information, we will communicate it out. Please check our website regularly.

Additionally, even though the union office is closed for in person meetings, we are still working and functioning. We are constantly updating our website and social media with the most up to date information and the website has an online portal listing contact information for all Local 416 Officers. We are also preparing another call for all Unit members who weren't able to connect with us on the conference call held on April 5th.

The Health and Safety of our members is our utmost priority, so if you or someone you know is encountering unsafe work or do not have the proper PPE, please advise the union immediately.

Hope you are all well and keeping safe.

Sincerely,

Ted Aivalis
