Ooch*

Hello Brothers, Sisters and Friends

Thank you for participating in the CUPE Local 416 Annual Golf Tournament. Over the years, CUPE Local 416 has engaged in numerous events across the City of Toronto.

Involvement in our community has become part of the CUPE Local 416 mandate. With the help of our membership, along with our brothers and sisters from neighboring unions across the GTA, we have been able to keep this a great city.

The members of CUPE Local 416 would like to thank you for participating in this year's annual golf tournament. We look forward to seeing you on the course.

Eddie Mariconda
President, TCEU Local 416

About Campfire Circle

Local 416 has been proudly hosting fundraisers for this Toronto based organization for the past 5 years.

Childhood cancer changes lives

So does camp. Campfire Circle is a privately funded charity that brings laughter and joy to kids and families affected by childhood cancer.

Year-round community, in-hospital and overnight camp programs deliver fun, friendship and a sense of community at any stage of a childhood cancer journey.

Campfire Circle is a privately funded, Ontario-based nonprofit whose goal is to help kids affected by childhood cancer be kids again, and help families connect with a community of strength and support when they need it the most. Every year, they recruit hundreds of camp volunteers and medical staff/volunteers to spread the healing [magic of camp](#).

All in-hospital, community, overnight, and virtual camp programs are designed to help kids and their families at any stage of a child's cancer journey. They also have palliative programs, and programs designed specifically for bereaved siblings.

All Campfire Circle programming is provided to families **free of charge**. None of this would be possible without generous donors like *you*.

Like a regular camp, times 10

While at camp, Campers can reconnect with family or play, laugh, and grow with other kids like them—even while on active treatment.

Unique facilities combined with committed volunteers and oncology medical professionals, means that Campfire Circle plays an integral role in a kid's circle of care, including their families. Each year, 1,500+ kids and their families experience "healing through happiness" at Campfire Circle.

Campfire Circle is often referred to as the social cure for cancer. It's a place where kids play, grow and enjoy new experiences in a safe, welcoming environment. Our programs celebrate kids for who they are – not what they have.

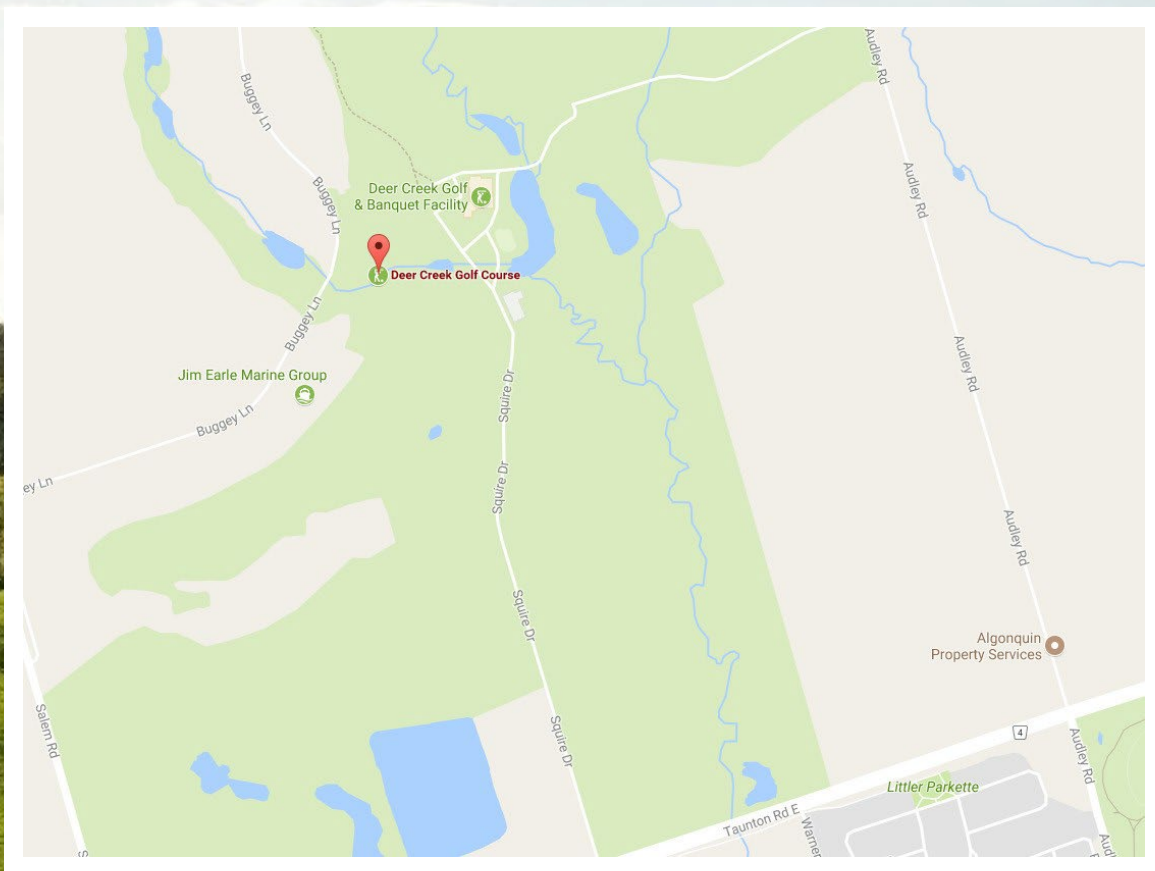

The joy and confidence gained from camp is a crucial aspect of our Campers' health and well-being. Campfire Circle gives Campers the chance to meet other kids, families or Counsellors who've faced the same illnesses, had the same surgeries, or other Campers who know what it's like to have a sick sibling. Camp restores a sense of normalcy, new found strength and hope.

Join us in helping to support Campfire Circle!

A GREAT WAY TO SPEND THE DAY

Well-manicured tees and fairways, bent grass greens and several water hazards make Deer Creek South a visual pleasure to play. Deer Creek South offers a challenging test of golf and gives every golfer all they can handle during their round. This par 71 championship course is a favourite.
