

Connecting Us All Around

Our Water

For the generations who for over 10,000 years have lived in and around the lands known as Toronto, and for the millions of residents and visitors that rely on our services each day, water is essential, and must always be acknowledged and protected.

Local 416 Members take pride in delivering safe, potable water for all.

A scenic view of the Toronto skyline across a body of water, with the CN Tower prominently featured in the center. The sky is clear blue, and the water is calm with some ducks visible in the foreground.
